The Parent and Family Engagement Model Helps Leaders, Teachers and Staff To:

FOR LEADERS, TEACHERS AND STAFF TO:

- Create a culture of openness,
- Develop high academic achievement,
- Create new efficient processes for connecting parents/families with the school,
- Grow parent support and confidence, and
- Open new ways of "thinking and doing," which increases parental involvement and student success.

FOR PARENTS AND FAMILIES TO:

- Understand student literacy performance,
- Engage in strategies to support literacy,
- Use effective language acquisition strategies,
- Understand pathways for college and career readiness, and
- Increase knowledge, skills and tools to support literacy development.
